MEMORANDUM FOR: Legislative Counsel

SUBJECT : H. R. 14414

STATINTL 1. H. R. 14414 would repeal the authority vested in the Administrator, GSA, by the Federal Property and Administrative Services Act, as amended by PL 92-313, to assess standard level user charges. It may be recalled that the DCI sought unsuccessfully to persuade the Administrator that the Headquarters complex and [REDACTED] were not subject to assessment.

2. I would appreciate being kept advised of the Congressional treatment afforded this piece of proposed legislation.

STATINTL

[REDACTED]
Assistant General Counsel
